Bebé BIRTH

Birth photography is a wonderful way to remember some of the most precious moments in your life. As a birth photographer, I capture the candid moments of your labour, birth and the bonding afterwards with your new little one. Included is unlimited time up to one hour post delivery. You will receive all images on a CD and your images on a DVD Slideshow set to music. Due to the nature of this work, all images are black and white.

*Portrait Bundle includes {same pose}:
8 - Wallets 2 - 5x7 1 - 8x10
